

BONALDO

VITA

design Mauro Lipparini - 2012

Geometric shapes and volumes that express sociability distinguished by a pleasant, comfortable and carefree elegance. The Vita sofa has white feather and polyurethane foam padding, and it is fitted with a manual mechanism designed to raise the backrest to several positions with a simple movement. The fully removable upholstery covers are available in fabric or leather. The feet are made of metal painted in matt anthracite grey, dove grey or white.
