

CAMPO

design Mauro Lipparini - 2012

The idea of a warm embrace, which retains the uniqueness of artisanal items, stitched with passion. Campo is a single or double bed with a soft padded headboard. The fabric, skay (eco-leather) or leather upholstery is fully removable; the ornamental stitching on the edges, which is available in different colours, adds a touch of refined contemporary appeal. The feet are in silver painted metal. The Campo bed is also available with a storage base or Comodo storage base.
