

BONALDO

TITTI

design Peter Ross

This bed is the epitome of versatility: depending on the requirements, which can also change in a limited amount of time, it can be interpreted in different ways.

Titti is a collection of single beds which affords a host of different styling solutions to suit all settings. Thanks to the opening base, it can be fitted with drawers or a second bed. The fully removable upholstery covers are available in fabric, skay (eco-leather) or leather; there is a wide range of feet versions to choose from. Also available in the storage version.

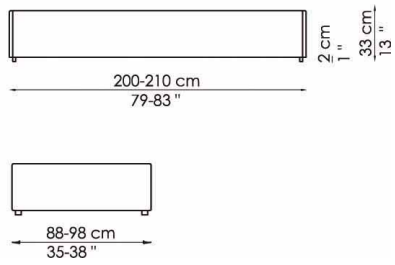

COVER:

fabric
skay (eco-leather)
leather

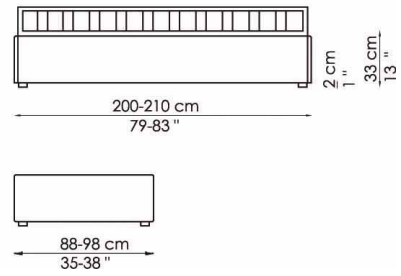

FEET:

silver-painted metal (for the versions without storage)
silver-painted wood (for the versions with storage)
On request, optional feet and castors
