

BONALDO

UP AND DOWN

design Andrea Lucatello - 2012

An original graphic design that emphasises the depth of the volumes and that appears almost as if it changes according to your point of view.

Up and down is a wall-mounted bookcase with a lacquered wood frame and acid-treated painted white extra light glass shelves. The frame is lacquered, available in matt white or two-tone (white and anthracite grey). Also available in the version fitted with a light (Up and down Light).

FRAME:

matt white lacquered / matt white lacquered
matt white lacquered / matt anthracite grey lacquered

SHELVES:

white acid-treated painted extra-light glass
