RGB LED COLOURS / RGB LED COLOURS

Material: Polietilene / Polyethylene

Gross Weight:
Structure Kg 41,6
4 Legs: Kg 2,5

Use: **INDOOR / OUTDOOR**

Display freestanding luminoso abbinato al bancone "Bartolomeo Light" adatto ad alloggiare strumenti da ristorazione e in particolare modo bottiglie e bicchieri in quanto, grazie all'illuminazione interna del display, anche gli oggetti in esso riposti vengono attraversati dalla luce, creando eleganti effetti di colore e trasparenze.

Luminous freestanding display matched with the "Bartolomeo Light" bar counter. Suitable for housing catering utensils, especially bottles and glasses. Thanks to the internal lighting system, every object is crossed by the light, thereby creating elegant colour and transparency effects.
