Arizona Corner Module

Our Arizona modular units are made from synthetic weave over a powder coated aluminium frame making them very hard wearing and suitable for leaving out all the year round. The modular units can be combined to give many different seating configurations.

Dimensions are approximate:

Width	104cm
Depth	104cm
Height	76cm
Seat height	40cm
Weight	17kg

Option 1

Weave

Java

The following Sunbrella® cushions are supplied as standard.

Canvas Natural 5404
