

PEDRALI[®]
THE ITALIAN ESSENCE

OSAKA metal 5729

DESIGN:
CAZZANIGA MANDELLI PAGLIARULO

Functionality, ergonomic design and graphic sign are key features of the Osaka range, also available in a new Lounge version. Solid ash wood, powder coated tube, upholstered plywood shell: each component expresses its own function. Every part is designed to be produced and joined together with ease. The generous dimensions of Osaka Lounge accentuate its versatile and relaxed nature, while the linear profile and sharp surfaces conceal its cosy nature, offering true comfort while maintaining its clean structure. Osaka Lounge features a tubular steel frame and a padded shell, it offers several choice of finishes, to meet every requirement of customization.
