

BONALDO

PIERROT KING

design Glenn Thomas

Clean-cut, well-defined silhouettes, designed to accommodate modern furnishing requirements, for a dynamic and versatile sofa bed.

In one smooth movement, the backrest of the Pierrot King sofa is lowered to form a comfortable bed surface. The upholstery is in leather or skay (eco-leather); the base is made of metal and is available in four finishes: chromed or painted in anthracite grey, silver or dove grey. Also available in the Pierrot, Pierrot King Cow, Pierrot King Dormeuse and Pierrot King Cow Dormeuse versions.
