

BONALDO

NOVA

design Centro Design

A piece of furniture that allows you to achieve maximum comfort every time.

Nova is a relaxing armchair with a metal structure and metal base that is either chromed or painted silver or black. The covering is available in fabric, skay (eco-leather) or leather and is fully removable.

UPHOLSTERY:

fabric
skay (eco-leather)
leather

FRAME:

silver painted metal
black painted metal
chromed metal (with extra charge)

MECHANISM:

Metal with elastic strips. The backrest and footrest are joined together and can simultaneously reclined: acting on the lateral lever, countless relax positions can be obtained.
