## AMICO

design CRS Bonaldo

A choice dedicated to practicality, a transformable model of maximum simplicity: an armchair or sofa of great comfort and a bed that's always ready to use.

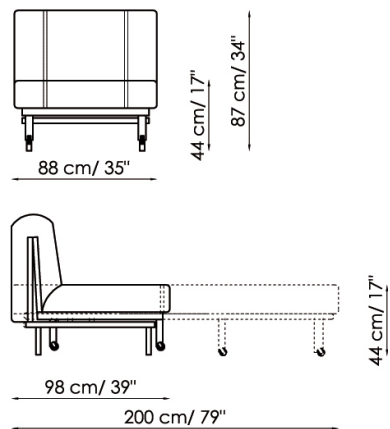

Amico is a transformable armchair or sofa with a metal structure and springing consisting of beechwood slats. The fabric covering is fully removable. The feet are painted silver or black.

UPHOLSTERY:  
fabric

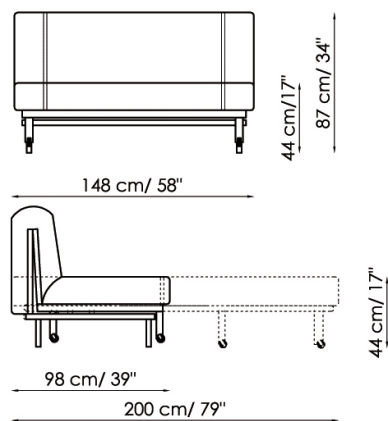

FEET:  
silver or black painted

MECHANISM:  
Manual with seat that moves forwards and backrest that lowers to form a continuous flat bed.
