

BONALDO

ZEN

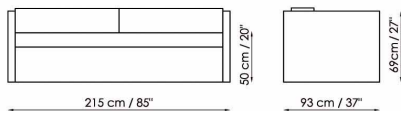

design CRS Bonaldo

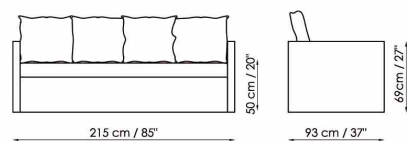

A design philosophy able to meet the demands of linearity and simplicity, guaranteeing highly efficient usage. Zen is a collection of sofa-beds with a wooden structure, bedstead featuring beechwood slat springing and a 13cm-high mattress. The base can be opened, allowing you to insert a second, removable bedstead or drawers, should you choose to do so. The fabric or skay (eco-leather) covering is fully removable.
