

# BONALDO

## CLIP

design Gino Carollo - 2010

A young and brilliant item of interior décor, perfectly at ease in a dynamic setting.

Clip is a revolving stool with a triangular base. It is height-adjustable via a gas piston. It has a painted steel frame, matching the colour of the seat, which is made of soft polyurethane in matt white, ivory, red and anthracite grey. Available also in the fixed version: Clip F.

### SEAT:

white mat polyurethane

ivory mat polyurethane

red mat polyurethane

anthracite grey mat polyurethane

### FRAME:

painted in a colour matching the seat

# Clip f
