

BONALDO

BASK

design Giorgio Manzoni

Ideal for those who live life full of movements and dynamism: dedicated to practicality and modernity.

Bask is a family of revolving stools that are height-adjustable via a gas piston. Each stool has a chromed steel frame and a satin finish steel base. The matt ABS seat is available in red, orange, aluminium, dark grey, ivory or white.

mat red ABS
mat orange ABS
mat aluminium ABS
mat dark grey ABS
mat ivory ABS
mat white ABS
