

BONALDO

SURFER

design Giuseppe Viganò

This is an important table, which pays particular design attention to the emotional dimension of its surroundings. Surfer is a fixed table with an oval or round shape. It stands out for its cross-shaped base, which is available in steel: chromed or painted in various finishes. The top is made of glass: painted black or extra light painted white or sand. Also available with Lady Susan, a swivel glass top to be set beside the table top.
