

BONALDO

FLAP

design Karim Rashid

A nimble and dynamic item, distinguished by a versatility of use and an original shape which appeals to several target types.

The Flap table has a round chromed steel base and two side extensions that open up independently. The top and extensions are made of matt painted polyurethane and they are available in three different colour combinations.

TOP/EXTENSIONS:

matt painted polyurethane:

ivory/ivory

ivory/aluminium

green/pink

BASE:

chrome-plated
