

BONALDO

BLOOM

design Peter Ross

The bedroom interpreted as the privileged setting designated for our emotions.

In the Bloom collection, the headboard is available in the low version (Bloom), high version (Bloom alto) or quilted (Bloom ego). The fully removable upholstery covers are available in fabric, skay (eco-leather) or leather. The feet are made of wood and they are painted in anthracite grey or, upon request, dark brown. The Bloom collection is also available with a storage base.
