

BONALDO

HANDY

design Mauro Lipparini

A versatile bed, capable of interpreting our need for an outstanding image and our desire for comfort. The Handy double bed is fitted with a mechanism to adjust the headboard to the desired position; the Handy Fix version, instead, is fixed. The upholstery covers are in fabric, skay (eco-leather) or leather. The feet are made of anthracite grey-painted metal or, upon request, of chromed or white-painted metal.

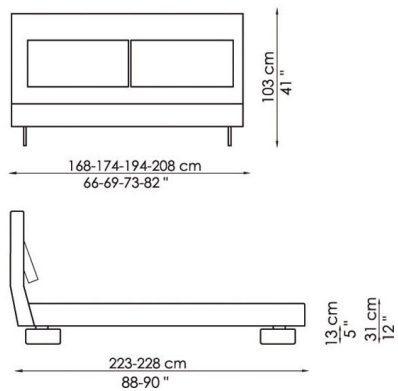

COVER:
