

# BONALDO

## DECÒ GLOVE

design Giuseppe Viganò

A headboard with lithe and undulated shapes combined with perfectly orthogonal silhouettes: the overall harmony prevails, along with the painstaking care for processing details.  
Decò Glove is a double bed with an emery leather headboard and bed surround; the wooden feet are painted in anthracite grey or, upon request, white. The stitching always matches the colour of the upholstery. Also available in the storage version.

### COVER:

emery leather\*

"cocco" emery leather\*

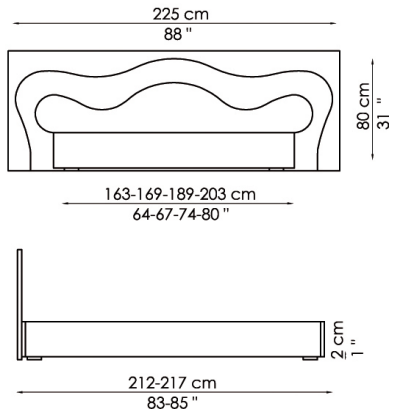

\* stitching in matching colour

### FEET:

anthracite grey-painted wood

white-painted wood (on request)
