

## PEGGY

design Dora Monti

The versatility of operating functionality associated with a careful taste for the decorative dimension of furnishings.

Peggy is a collection of single beds offering a number of different styling solutions to suit all settings. Thanks to the opening base, it can be fitted with drawers or a second bed. The fully removable upholstery is available in fabric or skay (eco-leather); the pockets are finished with decorative white flowers. The feet available can be chosen from a broad range of options.

The Peggy collection is also available in the storage version.
