

BONALDO

EXELL

design Gino Carollo

Extremely clean-cut shapes and a simple silhouette for an elegant and refined object.

The Exell coffee table stands out for its chromed steel feet and engraved table top which forms an original and stylish chessboard pattern. The table top is available in blackpearl glass, black acid-treated glass, white acid-treated extra light glass, or in the anthracite grey brushed oak version.

FEET:
chrome-plated

TOP:
anthracite grey polished veneered oak
blackpearl glass
black acid-treated glass
white acid-treated extra-light glass
