## VANITY, FORTUNY, HARRY

design Gino Carollo

A nimble and eclectic item, distinguished by a charm that is suited both to the living room as well as the bedroom environment.

The Vanity, Fortuny and Harry coffee tables have a steel frame, and they differ from one another in the design of the column. They are available in two heights, with a round top and base. They are made of glossy painted steel in white, black or red, or in matt anthracite grey.
