

# BONALDO

## QUADRICA

design Gino Carollo

An interior décor item which is distinguished by a sophisticated way of providing maximum storage space: the perfect blend of functionality and elegance.

Quadrica sideboard has a matt black or white painted frame. The doors, side panels and top surface are covered in glass, engraved with a lattice pattern, in the following finishes: acid-treated black, white acid-treated extra light or blackpearl. The base is in mirrored stainless steel.

### INTERNAL FRAME:

painted matt black  
painted matt white

### DOORS, SIDES, TOP:
