

BONALDO

BLUES

design Dondoli e Pocci - 2011

An innovative and dynamic chair, especially suited for contemporary décors.

Made of polypropylene, Blues stands out for its special perforated seat and for its versatility: it is stackable and is suitable for both the home and contract sectors.

It is available in matt finish in white, light grey, anthracite grey, dove grey and orange.

white mat polypropylene
light grey mat polypropylene
anthracite grey mat polypropylene
dove grey mat polypropylene
orange mat polypropylene
