

BONALDO

GIUSEPPINA

design Dondoli e Pocci

Giuseppina features the timeless and reassuring shapes of domestic tradition, re-interpreting them with contemporary formal details, new production techniques and latest-generation materials.

Giuseppina is a stable, stackable chair which is resistant to atmospheric agents. It is available with a glossy polycarbonate finish in transparent, smoked transparent, purple transparent or in glossy polyamide in plain black, plain white and plain red.

transparent glossy polycarbonate
smoked glossy polycarbonate
purple glossy polycarbonate
