## BIRBA

design James Brönte

A free, creative, practical and coloured way to interpret the needs of contemporary life, especially those linked to the rational use of space.

Birba is a folding chair which takes up a minimal amount of space when folded: just 3 cm wide.

The painted steel frame is available in a variety of different colours: glossy black or white, or matt in silver, anthracite grey, green, orange, lilac, powder pink, coral red, brown, dove grey and amaranth. Birba also features a hook or trolley in painted metal that can hold up to 12 chairs.
