

BONALDO

LOTO

design Dondoli e Pocci

Thanks to its light and delicate silhouette, this chair is suitable for any setting.

The Loto stackable chair has a plastic monocoque body in the following colours: transparent, smoked, green, plain white or plain black. The legs are available in steel: chromed or painted in a variety of finishes. The Loto W variant has wooden legs in solid ash wood, available in three different finishes.
