

BONALDO

REST DOWN

design Dondoli e Pocci - 2011

Simple and elemental, owing to its versatile design, this chair can be interpreted in a number of ways and can accommodate various styling requirements.

Rest down has polyurethane padding and steel legs that can be fully-upholstered or painted matt in white, anthracite grey or dove-grey. The upholstery is in fabric, skay (eco-leather) or leather. In the version with upholstered legs, an eco-leather edge can be applied to enhance the appeal of the seat and backrest further. Another four chairs complete the collection: Rest, Rest up, Rest hi, and Rest too.
