

BONALDO

SKIP LOUNGE

design Karim Rashid

Expressing a lifestyle that is at the same time comfortable and dynamic, with compact shapes and a linear design. Skip lounge is part of a family of chairs with a steel frame, polyurethane padding and non-removable upholstery in skay (eco-leather), fabric or leather. The tubular base is available in various finishes: painted glossy black, matt silver, matt anthracite grey or chromed. Also available in the Skip lounge arm version with armrests.

UPHOLSTERY:

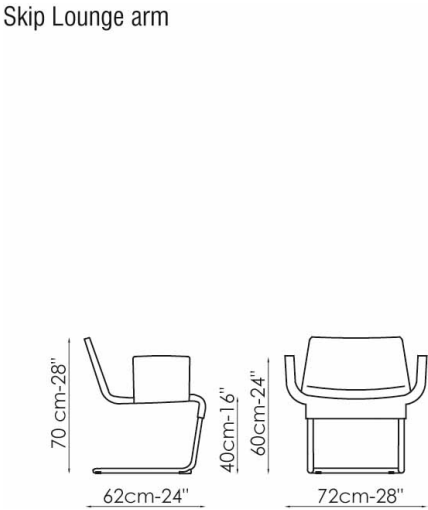

fabric*
skay (eco-leather)
leather

* Skip lounge arm is not available in fabric

LEGS:
