## MUFFIN

design Ryosuke Fukusada - 2013

The familiar shape of the famous American cakes adds a touch of sweetness to every setting. Muffin can be used either as a coffee table or a seat. It has a batch-dyed polyethylene frame available in white, anthracite grey, red, dove-grey and green. The optional top is in white or anthracite grey painted metal.

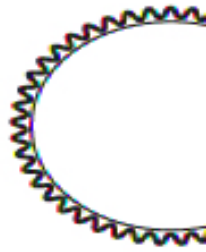

### FRAME:

matt white polyethylene  
matt anthracite grey polyethylene  
matt red polyethylene  
matt dove grey polyethylene  
matt green polyethylene

### TOP (optional):

painted matt white  
painted matt anthracite grey
