

TL

Giuseppe Viganò

TL is available in the fixed and extending version and it stands out for the extensive range of finishes that can be combined: the base can come in painted metal and with copper, brass or pickled effect. The table top is available in lacquered wood (white or matt anthracite grey), Canaletto walnut-wood, polished oak-wood (natural or heat-treated), solid wood walnut-finished, solid wood oak-finished, in glass (acid-treated black or extra light acid-treated white) or ceramic (white or anthracite grey).
