

## BORA BèTA

DESIGN: AXEL ENTHOVEN, 1983

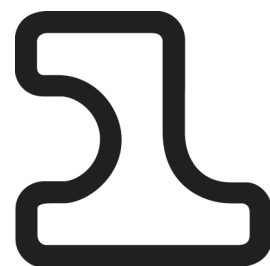

~ THE ONLY TRUE BORA ~

### Bora Bèta

The Boras were truly revolutionary at the time. An unprecedented light and subtle design. Bora Bora and the higher Bèta version are unchanged classics, with a high comfort level, due to the soft arms and backs that mould themselves to your body.

### Features

- Available as armchair, 2-seat, 2.5-seat and 3-seat sofa. With matching footstool.
- Comfort options: seat height +3 or -3 cm, seat depth -3 cm.
