design Habits Studio, 2006

**LUCE  
PLAN**

Type: ceiling EEL: A

Lamps: e04005 30W 12V HAGS GU5,3  
or LED spot 12V GU5,3  
e04020 45W 12V HMGS G53  
or LED SPOT 12v GU 5.3

Product use: Indoor

Materials: aluminum extrusion cylindrical body

Colors: white, polished

Description: Ceiling fixtures in two diameters (70 and 134mm) and various lengths. The polished aluminium casing contrasts with the outer finish, adding a sense of lightness and underscoring the sleek design. The recessed light source prevents glare and improves visual comfort.

Insulation class:    **IP20**
