

MIRANDA

design Paolo Rizzatto, 2005

**LUCE
PLAN**

Type: Floor

Light source: LED E27
105/140W HSGSA E27 energy saver EEL: A
EEL: D

Product use: Indoor

Materials: Aluminium body, opaline blown glass diffuser

Colors: Structure in alu
Diffuser in opal

Description: The classic and minimalistic elegance of Miranda is also seen in the floor model, with its aluminium base and stem. It features a diffuser in opal blown glass, and is supported by an arm extending out from the lampholder ring, whose cylindrical shape makes assembly and disassembly of component easier.
