

PH 3½-2½ Table

Design:

Poul Henningsen

Concept:

The louvre is 100% glare-free, with a design based on the principle of a reflective three-shade system, which directs most of the light downwards. The white painted lower surface of the top shade gently directs the light downwards. The two bottom mouth-blown opal glass shades ensure a large glare-free light surface, making optimum use of the light source to provide comfortable, functional lighting. The opal glass shades are shiny on the outside and matt on the inside.

Finish:

Red, green, yellow and white, powder coated.

Material:

Top shade: Spun aluminium. Other shades: Mouth-blown white opal glass. Shade holder: Silk matt brown brass. Stand: Silk matt brown brass.

Mounting:

Cord type: Plastic with plug. Cord length: 2.5 m. Switch: On the cord.

Weight:

Min: 2.5 kg Max: 2.6 kg

Class:

Ingress protection IP20. Electric shock protection II w/o ground.
