

Record Ceiling/Wall

Design:

Louis Poulsen A/S

Concept:

The fixture emits primarily round symmetric diffused downward directed light. An indirect component directs the light backwards onto the mounting surface creating a soft glow around the fixture thereby reducing contrast. A fixed opaque band circular housing creates a clearly defined ring between the opal glowing front and the background glow.

Finish:

Aluminium coloured with textured surface, powder coated. Diffuser: white opal acrylic.

Material:

Ring: Die cast aluminium. Housing: Spun steel. Diffuser: Vacuum formed white opal acrylic.

Mounting:

Terminal block: 5x2.5mm². Cable entries: 2x rear entries, Ø 20mm. Looping: Approved, max. 5x1,5mm².

Weight:

Min: 2.3 kg Max: 3.3 kg

Class:

Ingress protection IP20. Electric shock protection I w. ground.

Info notes:

Retro fit kit LED works as standard for all Record 374 / 455 from 2002 and onwards. For all emergency variants, night light and colour options or larger version Ø700 LED please contact Louis Poulsen.

Specification notes:

Ø 374 only available with LED. Ø 455 only available with LED. For all emergency variants, night light and colour options or larger version Ø700 LED please contact Louis Poulsen.

PRODUCT OVERVIEW
