en / Lagoon is a design material in porcelain stoneware inspired by Cardoso Stone: a collection in which painstaking detail and depth of colour evoke the expressive power of nature. The stylish, skilfully balanced, subtle veining effects and tone-on-tone streaks give the collection a contemporary character with a warm, inviting touch.

Die Ästhetik, die durch leichte Äderungen und Streifen im gleichen Farbton charakterisiert ist, verleiht einen zeitgenössischen Charakter mit einer warmen und behaglichen Konnotation.
