

Parentesi

Fabrice Berrux

Parentesi by Fabrice Berrux is a coat stand resembling a niche, a parenthesis that conceals clothes and items in a practical and original way. With its architectural nature, it defines the space keeping it neat and tidy and adding character thanks to its unprecedented design. Upholstered with fabric, Parentesi stands out for its simple yet uncommon style and is suited to different settings, from the entrance hall, to the bedroom, and even the office.
