

BONALDO

Ever more

Designer: Sergio Bicego

Ever More stands out for its particular backrest, that embraces the seats, for a note of softness and elegance in the living area. Keyword is maximum personalisation: thanks to the many elements from which it is possible to choose, it is an extremely versatile sofa which adapts to every style or space requirement. Indeed, it is possible to create the perfect sofa composition

combining a wide range of modules, such as poufs, corners and chaise longue: the backrest, therefore, becomes a true "trait d'union" of an island with 360° freedom, that can be also placed at the centre of a room, to create a space in which to socialise. The upholstery is completely removable.
