

BONALDO

Lovy

Designer: Sergio Bicego, Sergio Bicego

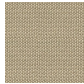

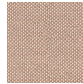

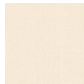

Lovy is a fixed sofa with an unusual silhouette: the semi-oval shape encourages conversation and the dual-height backrest creates movement from a visual perspective. Perfect for contract settings, the particular shape of the backrest makes it ideal for use in the middle of the room. The body is upholstered in removable fabric, the metal base is available in numerous colours and finishes. The vast success that this model has enjoyed has

inspired Bonaldo to introduce a complete Lovy collection, thus making it possible to create perfectly coordinated environments with the same original style connotations: Lovy hi (with straight, high backrest), Lovy low (with straight, low backrest) Lovy ego (quilted), Lovy armchair (with high or low backrest) and Lovy bed.
