

BONALDO

Madame C

Designer: Giuseppe Viganò

Madame C. is a young, truly unconventional yet elegant sofa. As Coco Chanel - to whom the collection is dedicated - would say: "Fashion fades, only style remains the same". The main aesthetic feature is the armrest, which consists of a cushion folded onto itself in a special L shape facing outwards; the backrests are slightly tilted to ensure maximum comfort. The

upholstery, available in fabric or leather, is fully removable; the base in metal, in two different shapes, completes the sofa's contemporary image. Madame C. ensures maximum modularity, thanks to the numerous elements, which make it possible to create, in addition to the linear sofa, solutions with chaise longue or corners, or combining comfortable poufs.
