

JJ Great TR Floor Lamp, Indoor Leucos Design Lab, 2005 (Updated 2020)

The JJ Collection creates an unprecedented freedom of movement with perfect balance thanks to its 4-spring mechanism. Its 2-arm pantograph geometry maintains the same diffuser incline throughout any movement and allows for optimal angles/positioning of the light. In a clever play on scale, a maxi version of the JJ desk lamp was created in 2005. In 2020 Leucos updated the JJ Great Floor Lamp with a user replaceable integrated LED (up to 5600 lumens with the option of Casambi Wireless Dimming via a smart phone app) and is available as an indoor or outdoor version in 6 standard colors. Custom colors upon request with no minimum order quantity.

Diffuser/Structure Finish Options:

- White
- Black
- Amaranth Red
- Mica Blue
- Sablé Gray
- Rust Brown
- Custom colors available with no minimum order quantity
